With the growing emphasis on quality education in the Middle East, a highly motivated generation of students are seeking the best educational courses available nationally or internationally in their study field of their choice. This trend has brought into focus an improved quality of enquiries of students who are better prepared with a relevant list of questions, enhancing the potential for conversion from enquiry to admission.

The Visitor Promotion Campaign

Press Advertising, Public Relations Campaign including Press Releases, Newspaper Supplements, Radio Advertising, Email Broadcasts, Social Media Campaign and School Visits to invite the students & faculty.

WES 2015 connects you with Students at www.cecdubai.com

Students will be able to book their appointments with the respective colleges/universities to ensure complete undivided attention to answer their queries.
